

The Friendly Companion

Electronic Version

The Friendly Companion magazine was first published for two years only in 1857-58 and then restarted as a somewhat different magazine in 1875. This electronic version contains 4 separate indexes covering the periods of the main editors up to the year 2020, and every magazine published from 1875 to 2020.

All files are in Adobe Acrobat/Reader format and are searchable within Adobe Reader. To continue, choose one of the periods below by clicking on the appropriate link.
